A Component Society of The New Jersey Dental Association and
the American Dental Association

From the President

APRIL 2018

As the old saying goes ... March comes in like a lion and leaves like a lamb". We have had our fair share of lion-like weather this month, but our members have remained as active and engaged as ever. As we look toward the warmer days of spring, I would like to wish you and your loved ones all the best this season.

Give Kids a Smile Day was held on February 2, 2018. On that day many of our generous members donated their time and facilities by opening their doors and giving back to their communities with free dental care for children. The MOCDS also sponsored and celebrated Children's Dental Health Month on February 11th, at both Monmouth and Ocean County Malls. This event is always well attended and gives parents and children the opportunity to learn more about the importance oral health.

We had a fantastic meeting on March 13th. Ms. Ansett, an ERISA attorney, and Ms. Schreiber, an Elder Law attorney, spoke about 401k Plan Sponsorship, taxes, and estate planning. Michael Maggiore, a financial advisor, also spoke to our component regarding financial planning and investment strategies to assist our members in building and maintaining a profitable portfolio.

Looking forward, the MOCDS is holding its annual legislator's night on April 25th. The event is interactive, open to M-OCDS members, and will be held at the Riverview Pavilion. This is an excellent opportunity for our members to interact with local New Jersey house and senate legislators. On April 17th, our last CE dinner meeting will be presented by Dr. Nicolas Elian discussing "Treatment Planning in Implant Dentistry". This is a topic that holds a lot interest with many of our members, and I encourage all to attend.

Our component is very fortunate to have numerous, active life-members. These invaluable individuals share their wisdom, experiences, and ideas with our equally active younger members. And, those interactions are what carries our organization forward for years to come. I encourage everyone to invite members and non-members to one of our meetings. Please stay in touch by joining our Facebook page, which helps us grow our membership and stay relevant.

Lastly, I am looking forward to our President Dinner Dance at the picturesque Molly Pitcher Inn, overlooking the Navesink River. Please join me to celebrate our past presidents and the fabulous year that we had. I look forward to seeing you on June 2nd.

Regards,
Matt Safari
M-OCDS President

MOCDS Celebrates Children's Dental Health Month!

Children's Dental Health Fair was held at the Monmouth Mall and Ocean County Mall on February 2, 2018

The event was a huge success with hundreds of people stopping by. We handed out literature on dental health, toothbrushes, pencils and had the opportunity to meet many nice people and families in the community. All the Monmouth and Ocean County schools were invited to participate in a poster contest with the ADA's theme "Brush your teeth with fluoride toothpaste and clean in between your teeth for a healthy smile" We received hundreds of poster entries and awarded over \$1000 in prizes to poster contest winners.

We had magicians entertain the crowds at both malls. Many of the teachers, nurses, and Administrators from participating schools attended the fair to show their support. There were also contests and giveaways for others who stopped by to check us out.

JUMPING BROOK COUNTRY CLUB, NEPTUNE, NJ

This evidence-based overview of occlusion, differential diagnosis, treatment planning and materials will emphasize how to apply risk assessment and make predictable decisions about complex restorative cases. The focus will be on developing skills that you can put to use right away in planning and restoring cases for your patients. By utilizing excellent communication skills, patients will say “yes” more often to you and to your treatment plans. Dr. Murphy will demonstrate how to improve the educational value of the examination experience and overcome the insurance entitlement behavior that patients often exhibit.

BUSTER GOES TO THE DENTIST!

Your dentist has selected you as a member for the "Buster's Beautiful Smiles" club at the Lakewood BlueClaws. You were selected because your dentist feels that you had a "Clawsome" check-up, including no cavities, good behavior and daily flossing and are under the age of 16.

You are entitled to 1-complimentary BlueClaws ticket (with purchase of an additional adult ticket) to one of the selected games below. I look forward to seeing you out here at the ballpark this summer! ***Has to be in 48 hours before date of game***

As a member of Buster's Beautiful Smiles in 2018, you get the opportunity on the day of your game to go down to the field and take a picture with the other members that are attending the night's game.

Those interested need to report to **section 105 located on the first base side of the field NO LATER THAN 6:20 PM on the day of the game you choose.** A BlueClaws staff member will greet you there, then escort you down to the field. After the picture is taken, you can then report back to your seat and **ENJOY THE GAME!**

Sincerely,

Buster
