

M-OCDS News

MONMOUTH-OCEAN COUNTY DENTAL SOCIETY NEWSLETTER

A Component Society of The New Jersey Dental Association and
the American Dental Association

From the President

FEBRUARY 2019

For the last few years, news from our Membership Council has been relatively "guarded" in my opinion. Intentions and ideas are always plentiful, but we are finally starting to harvest some of the fruits the past year's labor. Membership is up 1% across NJDA, which isn't a shocking headline, but the transition from red to black is significant. This equates to 83 additional dues-paying members. In addition, market share among female dentists has risen 2%, but most notably in the new dentist category we are up 5.3%!

As ADA President Dr. Jeffrey Cole often says, "The future is bright." Many of our members have enjoyed the enthusiasm and ambition of current students and residents who are attending component meetings in record numbers. Some components are even complaining about having too many students attend-what a great problem to have! I feel that our programs have become much more inclusive, and I encourage you all to foster this progress. Take a minute to chat at the "resident table" or sign up to be a mentor.

Our Membership Council has implemented several strategies to purposefully shape the organized dentistry experience for these new members. This includes a 6-month onboarding process by mail, e-mail, personal phone calls and invitations to special events. By demonstrating all the benefits of membership at the appropriate time, we make the case that one would be foolish to drop it. The end of 2018 has brought us more accurate data on members (and non-members, too) to overcome our biggest challenge, which has been getting the message to the right ears.

On the other side of the rainbow of membership is our Life Members. At our dinner meeting on January 15th, NJDA President Dr. Alan Rothstein presented Life Membership pins to Drs. Robert Korwin, Martin Weinstock and Dale Whilden. We salute them as they joined the ranks of fellow colleagues with 35 years of continuous support of organized dentistry.

The M-OCDS and NJDA leadership always have an open ear for your ideas on how we can do better. Call me (732-681-2225) or come as my guest to our next Trustee's Meeting on March 15th to ensure that your voice is heard.

Tom Sniscak
M-OCDS President

MOCDS TRUSTEE MEETING MINUTES January 8, 2019

M-OCDS TRUSTEES MEETING MINUTES January 8, 2019

Attendance: Doctors: S. Albin, M. Furlong, S. Guerrasio, R. Hersh, Richard Isaacson, Robert Isaacson, J. Jeffries-Bruno, J. Kukucka, C. LaFalce, M. Safari, A. Seto, T. Sniscak, M. Sones, B. Wohlstetter

The meeting was called to order by Dr. Sniscak at 7:15 p.m.

We do not have a quorum.

Approval of the minutes from last meeting:

Motion was proposed to approve the minutes from the last meeting, November 6, 2018 by Dr. Rick Isaacson, 2nd by Dr. Jeffries- Bruno

President's Report (Dr. Sniscak):

Our next dinner meeting is on January 15th. Dr. Rothstein and Art Meisel will give their annual NJDA report and acknowledge our life members. Ten members have reached this milestone. I have 3 confirmed attending, 5 confirmed not attending, and 2 unable to contact.

We have great news in our Membership report. Due to efforts of our Membership Council, membership is on the rise in M-OCDS and across NJDA. I urge the Board to continue its support of Membership to keep the momentum going.

Housekeeping Note: All future Trustee's meetings are scheduled in the Hope Tower on the 10th Floor, Conference Room A. Free parking should be available in front of the building at that hour.

When you enter the building, each member of your group needs to stop at the desk and say they are attending a meeting. The security officer will give them elevator access.

This process may seem a little cumbersome, but special security measures are in place to limit access to certain areas of the building.

Vice President's Report (Dr. Jeffries-Bruno):

I have confirmed speakers for the following dinner meetings:

10/22/19, 11/12/19, 1/14/20 (NJDA), and pending 4/21/20 leaving one open meeting 3/10/20 for which I am reviewing options.

Please submit nominations for Secretary position for the upcoming 19/20 year as we will need to vote by majority at the March Trustees meeting. I will make an announcement for any additional nominations at the upcoming dinner meeting. For this you can either reply to the group or myself directly (jbrunosmiles@gmail.com)

I will be reviewing the budget for next year so any requests for moneys to be allotted outside of what we are doing already would be appreciated. We have a candidate for M-OCDS Secretary for the year 2019-2020: Dr. Matt Sones.

Treasurer's Report (Dr. Guerrasio):

All accounts are in good standing. I had a meeting with the accountant today.

NJDA Trustee Report (Dr. Velazquez):

Hello Trustees- Happy New Year!

Attached are the official NJDA minutes from THE HOD/BOT meeting in November.

Here are my notes:

BOT 11/14/18 report

1) Renovation project is moving forward. Money will come from capital campaign fund. And some from reserves. Cost of project is 399k. The goal will be to raise 600-750K

2) Financials review- Lou Ghisalbetti. - Budget approved at HOD and negative budget accepted. Our goal will be to increase dues revenues as all the excess has been trimmed.

3) Annual session- It will be again held in Newark. It will go back to ala cart pricing with Lunch & learn with fees, & Campfire sessions. Saturday May 4th will be HOD. Each component should have 40 members come. Registration Opens Jan 1st Components asked to send in donation for \$500 for dinner reception for Thursday evening. Students have a fee charged but get reimbursed to promote them to be sure to come. CVENT is for registration. HOD attendees are encouraged to register but it is NOT required at this time for HOD. And there is NO FEE for HOD. EBAs- if you have any companies interested- reach out to MO.

4) Insurance update- after 1/19 some changes with new insured groups for delta will go into effect. One example is they will cover diabetes test with some plans.

5) Peer review had 10/31 training. It went well and they had a good turn out.

6) EBA update- "best card" will be joining us- a credit card processing company Colgate- we will have packages with components and they will bring speakers. ** take advantage of this program with Colgate.

7) Welcome Membership outreach manager- BILL- he will be working with council & Annemarie to help with membership

8) COGPA-

Dental Director bill has been approved. This is the first time in a generation and is a big win! This is directly related to our PAC and our governmental affairs relationships. A

Dental director will keep the public health dental needs of the public at the forefront to improve education and access to care. Applications are being received.

GRANT MONEY

We are in receipt of the state government & public affairs grant from ADA. (SPA money) It is a 6-month funding. We also have been approved for 2019 for another \$45k to increase our public affairs awareness for dentistry in our state. We will be launching a website with information about myths of dental insurance.

RUN FOR CONGRESS

Member dentist Dr. Jeff Van Drew WON THE SEAT for Congress. He had the support of ADA & NJDA.

The Universal credentialing application Bill is being introduced. This will eliminate a barrier for many offices and require acceptance of a universal dentist application form for participation by dental plan carriers. This bill will streamline the process and improve access to care. PASSED ASSEMBLY Insurance Committee and in December it will go for a vote in the Full Assembly and then to the Governors desk for signature.

Prohibit the Rental & lease of networks bill. As we try to prevent this practice then there will be MORE transparency for our practices & for our patients without carriers switching without our knowledge. This has passed the ASSEMBLY INSURANCE COMMITTEE and the SENATE COMMERCE COMMITTEE. We have encountered opposition and we are now looking for pathways to success and possible amendments.

If passes, we will be the FIRST IN THE COUNTRY. Currently many states are watching for our leadership.

We continue to build and foster relationships with other organizations and dental specialties. We have relationships with Drug Free NJ which is critical during the OPIOID CRISIS, NJ Medical Society, NJ Academy of Pediatric Medicine, United Way and others.

9) OLD BUSINESS:

Still waiting for state billboard from DOT - we weren't approved for the digital route. May have surveyors soon & send application to planning board for construction.

10) New business

* 150th celebration for NJDA planning to begin

* Veterans smile day Dr. Pham in Atlantic cape may. Find a few vets from each component and market this. This could be a powerful story for COGPA

NJDA did work with smiles for heroes up in DOVER

11) Good & welfare-

Thank you to Walter Chinoy for service to njda & organized dentistry for 28 years

Thank you to all components that helped dental lifeline network

Harvey will remain as editor. He was asked what plans were for next year. He said he didn't know.

12) We went into executive session

ADA Delegate (Dr. Hersh):

No report from Dr. Hersh.

The following information re: leadership news from the ADA was submitted by Dr. Shah:

Message from Dr. Cole

Dear fellow leaders,

The passage of the Action for Dental Health Act is a tremendous victory for the American Dental Association, our profession, and the patients that we serve. I know you are pleased to see Congress prioritizing legislation that will improve oral health and access to oral health care, especially for the underserved members of our communities.

The ADA has championed and tirelessly advocated for this legislation since 2014. I want to thank all of you who have helped us achieve this victory, especially those of you who attended ADA Dentist and Student Lobby Day this past spring, and those at home who urged your federal legislators to support the bill.

The legislation will allow organizations to qualify for oral health grants that improve oral health education and dental disease prevention. It will also enable groups to develop and expand outreach programs that facilitate establishing dental homes. You can read more about what the Action for Dental Health Act is designed to do in ADA News. More information will be provided in the coming months as the law goes into effect.

We have shared this historic news broadly in order to showcase how ADA is championing our members and our patients. In addition to ADA News and social media, the ADA has been cited in articles about the legislation by DrBicuspid, Dentistry Today and in a blogposted on the American Association of Health Care Journalists website by former Washington Post reporter Mary Otto.

I assure you that we will continue to share the exciting news about how the ADA advocated for passage of this legislation and the good it is doing across the country throughout 2019. I believe this law shows what our organization and profession stand for, which is that all Americans deserve good oral health.

In the midst of this holiday season, I'm inspired by so many of you who advocate for our profession and the patients that we serve.

As 2018 comes to a close, I wish you and your families the very best for a happy and

MOCDS TRUSTEE MEETING MINUTES January 8, 2019

prosperous New Year.

Old Business:

Dr. Rick Isaacson brought up a concern which he would like NJDA to be aware of and he would like addressed at the Officer visitation meeting:

He feels direct to consumer orthodontics is practicing dentistry without a license. He feels ADA needs to address this. Possibly a PSA can be made to make consumers aware of the risks involved with having orthodontics performed without a licensed specialist performing the service.

Dr. Sniscak will let NJDA know this is an issue we would like addressed.

Dr. Hersh brought up an issue he would like addressed by NJDA:

How valid and legal is Delta Dental's position that Premier providers are grandfathered-in but new providers cannot attain Premier designation?

Dr. Sniscak will bring this up to NJDA.

Dr. Albin reminded the trustees that NJDA gave seed money to allow the start up of Delta Dental of NJ.

New Business:

There was discussion and agreement to order and present a plaque to Dr. Walter Chinyoy from M-OCDS to thank and honor him for his 25 plus years of service as Speaker of the House at NJDA. Dr. Albin with come up with the wording and Dr. Guerrasio will order the plaque. We will also present him with a \$250 Visa or Amex gift card.

Council on Annual Session (Dr. Andricsak):

The council on the Annual Session is meeting Jan 8th so I will not be at the trustees meeting and there is no new report: To recap:

- Everyone should have gotten an e-mail that registration is now open and if you are definitely going, you should register now to get the pre-registration discount.
- We've gone back to a la carte pricing, not bundled packages.
- We are still doing lunch and learns and 1 hour campfire sessions.
- We are no longer having the townhall luncheon
- We are still having the Friday night dinner reception with Pete Discio's live band.
- The 500.00 contribution request from all components will go towards the food and beverage services throughout the meeting as well as the Friday night dinner.
- The House of Delegates meeting is moved to Saturday from 10-1
- I would like to make an announcement at the next dinner meeting about the annual session and hopefully I will have the marketing materials to distribute as well.

Council on Membership (Dr. McTaggart):

I wanted to share some good news with everyone. In comparing paid members and dollars from this time last year we are up 98 paid members to date and over \$20,000 in NJDA dues.

Also, these are preliminary year end numbers, but it looks like we are up a total of 101 members year end 2018 compared to year end 2017. The ADA should have the final year end numbers in the next several weeks.

Membership Meeting: To date we have a total of 3412 active paid members & 4348 total members. We have an increase of 3% from this time last year. Quarter Year Dues Campaign: This year's campaign was a success bringing in 130 new members. As a reminder, any dentist who is a non-member and has not received the free offer in the past is eligible for complimentary dues for last quarter of the year. The goal is to retain these new members in 2019 and beyond. Membership staff will begin reaching out to these new members with a friendly phone call prior to them receiving an invoice.

A plan is being developed to include several touch points throughout the year collaborating with the ADA and component. 2019 Membership: New for 2019 is an auto-renew dues payment option as well as ACH payments. Marketing has begun for both new features. The Council was in favor of offering an incentive if dues are paid by January 15th 2019. Anyone who submits payment by January 15th will be eligible to win a CPR course for up to 10 people either in their office or at NJDA headquarters. 1 winner will be chosen on January 16th 2019. Finally, the council was in favor of sending monthly birthday greetings. Beginning January 1st each member that we have a date of birth for will receive a birthday wish during the month of their birthday. Membership Data: NJDA staff is working diligently on obtaining accurate information to reach out to all members and non-members. Also, staff is exploring data mining firms to help clean up the non-member data. More information will follow.

The ADA reported that the non-member data is updated monthly using a national change of address program through the postal service and an added benefit of the ADA's Find a Dentist is that there has been a large data clean-up from members updating their profiles. COUNCIL ON MEMBERSHIP MINUTES November 19, 2018, 7:00pm,

Dr. Handsman spoke about defining the role of the Council. He would like to move forward and focus on getting the message out and promoting the great product that we have to offer our members as well as non members. In addition to email and regular mailings he encouraged the Council to have more personal contact. A new member protocol will be distributed to the components which will include NJDA and ADA sample new member packets. The NJDA will begin to send welcome text messages as one of the touch points to new members and also begin sending birthday greetings once a month starting in 2019. Art Meisel reminded the Council that NJDA is the hotline to all information and to call us. He urged the Council members to get the word out to call us and to communicate the message to contact the NJDA. The ADA shares the same value.

The NJDA will create a document for the components to call us with topics. American Dental Association Bridget Baxter and Jamie Birkner discussed ways that the ADA can further assist with aligning the tripartite message. Both a retention and recruitment road map will be developed including all 3 levels (ADA, NJDA & component) to collaborate. Questions discussed included what does the component need? The ADA has had more of an online presence over the past year. NJDA will work collaboratively with the ADA in using social media. Retention focus will be on the 130 new members who joined for the free quarter year dues promotion. Talking points to help council members encourage continued membership will be distributed. Focus on annual conference and creating a personal relationship. Recruitment focus will be using the Strategic Promotional Incentive (SPI) which allows nonmembers to join for half off for the entire year. The non-member data will be narrowed down to recently lapsed non-members.

Committee on Necrology (Dr. Robert Isaacson):

Dr. Marvin Seltzer of Brick passed away December 2, 2018.

Dr. Robert Krantz of Manasquan passed away December 20, 2018.

Dr. Sniscak will send a letter expressing our condolences to Dr. Krantz's family since he was an active member.

Liaison for Meeting Vendors (Dr. Matt Sones):

The following sponsors will be present at our January meeting:

Alpha Lab, Garfield Refining, Bank of America, Voco, Doral Refining, Tomoro, Hiossen, Colgate and Zimmer Biomet

Dr. Sones also brought it to the attention of the trustees that he is concerned with the arrangements between some EBA sponsors with the NJDA. It is unclear how their contracts affect us. We could potentially be losing money and limiting the vendors we are able to solicit to sponsor our dinner meetings. If Bank of America is present at one of our meetings, we cannot solicit or retain another banking institution to sponsor that particular meeting. Also, if NJDA accepts a fee from an EBA and we want them at one of our dinner meetings we may not be able to charge them again. A current case is Colgate who has attended our dinner meetings but not paid the sponsorship fee due to their contract with NJDA. Dr. Sones feels we have not been given clear guidelines and he would like clarification from NJDA re: our expectations with respect to EBA's. Dr. Sniscak will speak to NJDA and get clarification.

Committee on Communications (Dr. Friedman):

Next newsletter will be February issue.

Committee on General Membership and Educational Programs (Dr. Picciotto):

General Membership Dinner Meeting

Tuesday, November 13, 2018

"Hurts So Good- Management of Acute Dental Pain and Appropriate Prescribing Practice"

Attendance- 83 members

Committee on Children's Dental Health (Dr. Jeffries-Bruno):

CDHM - the event is taking place at both Ocean County and Monmouth Malls Feb 10th Sunday 1-3. Anyone who would like to advertise in their office for the poster contest or the fair please let me know. I will send an e-blast out later this month as well.

Aruba Health Seminar Committee (Dr. Robert Isaacson):

The 46th annual Aruba Dental Seminar took place in Dec. 2018. Dr. Rick Samuels, a very progressive dentist, was again able to speak. His topic was biocompatibility. The meeting uses a multidisciplinary approach and attracts various specialties in health-related professions. A podiatrist spoke about maximizing foot function. There was also an alternative pain management speaker. An ophthalmologist presented a program on dry eye syndrome.

The meeting is hoping to revitalize by attracting new attendees. Please consider attending in December 2019.

The meeting was adjourned at 8:28 p.m.

Respectfully submitted,
Carmela LaFalce, D.M.D. Secretary

Help pass fluoride legislation now, contact your legislator.

Alert: Revised Sample Employee Manual

A revised version of NJDA's Sample Employee Manual is available at on the NJDA website and can be accessed by

2019 NHSC Loan Repayment Programs

The National Health Service Corps (NHSC) seeks clinicians who want to serve the nation's underserved rural, urban and tribal communities. The NHSC Loan Repayment Program (NHSC LRP) offers licensed primary care clinicians, DDS and DMDs, the opportunity to receive loan repayment up to \$50,000.

The NJDA is pleased to introduce our newest Endorsed Partner, Dental Recycling North America (DRNA)

Those of you that use a Solmetex Hg5 amalgam separator can now save significantly by getting your replacement cartridges from DRNA. The DRNA Generic Amalgam Cartridge is NSF certified and fits the Hg5 but sells for only \$235 which is about 30% less than the brand product. As an additional benefit, for the first six months of 2019, NJDA members will get the special price of \$195 per cartridge. To learn more or to purchase cartridges please visit www.drna.com/NJDA.

New Dentist Social Event
Feb. 7 | New Brunswick, NJ

Join your New Dentist colleagues for a casual and fun event at Aja Asian Cuisine & Lounge on Thursday evening, February 7th. Registration is required.

Last Call! NJDA is giving one lucky member a free CPR training session for up to 10 people!

All you have to do is have your 2019 dues paid by 11:59pm TOMORROW (Tuesday, January 15) to be entered.

Dr. Robert P. Krantz, 81, of Manasquan, NJ passed away on Thursday, December 20th at his home. Bob was born in Brooklyn, NY and graduated from New Utrecht High School followed by Brooklyn College and the NYU School of Dentistry. After receiving his D.D.S., Bob served in the U.S. Army Dental Corp and was stationed at Ft. Leonard Wood, Missouri with his wife Bobbi. Upon completing his Army service, Bob and Bobbi moved to Bricktown in 1965 where he opened his dental practice. He later moved to Lakewood, NJ with his family. Dr. Krantz in recent years moved to Manasquan, NJ, and spent winters in Boca Raton, Florida with his beloved wife of 56 years, Bobbi. Bob is predeceased by his parents, Irving and Henrietta Krantz and his sister Carol Krantz. He is survived by his wife, Bobbi; his children, Andy and his wife Laura, Brian and his wife Erica, and Ricki and her husband Ira Horowitz; and his grandchildren, Jonathan, Halle, Ellie, Sophia, Danni and Morgan.

HEALTHY SMILE TIPS

- Brush your teeth twice a day with a fluoride toothpaste.
- Clear between your teeth daily.
- Eat a diet for Best that limits sugary beverages and snacks.
- See your dentist regularly for cleanings and a checkup of oral tissues.
