MONMOUTH-OCEAN COUNTY DENTAL SOCIETY NEWSLETTER

*A Component Society of The New Jersey Dental Association and
the American Dental Association*

September 2012

From the President

I am honored to serve as the president of MOCDS for the upcoming year. We are a very active and vibrant society consisting of dedicated members who serve as trustees, council and committee members. In addition, I have found a few more enthusiastic members who are willing to serve on the standing committees and help out with special events.

My goal for this year is to provide a quality educational program comprised of four lectures. Our members will receive 2 CE credits for each lecture attended at no cost to them. The first lecture "Cone Beam 3D Imaging and Guided Implant Surgery" by Dr. Eric Weiss will be held on October 9, 2012. On November 13, 2012 Dr. Syngcuk Kim, Chairman of the Department of Endodontics at The University of Pennsylvania will present "Endodontic Microsurgery". Dr. Davis Thomas will deliver our third lecture "Non odontogenic Toothache" on January 15, 2013. Our last presentation of our series will be a combination which will be of particular interest to our newest members and those transitioning their practices. William S. Barrett, Esq. will speak about "The Essentials of Practice Transition" and the second will be a presentation about "Using Social Media in Your Practice".

We are working hard to make our golf outing a fun filled event for our members that are pros, think they are pros, those that want to take a lesson from a pro or those just out for a good time. Our Golf Outing Committee is looking into a new venue for the 2013 Golf Outing. If you have any suggestions let them know.

MOCDS TRUSTEE MEETING MINUTES August 7, 2012

MOCDS MEETING MINUTES August 7, 2012

Attendance: Doctors: Albin, Andricsak, Angowski, Boim, Bosonac, Eisen, Friedman, Furlong, Giantommas, Goodwin, Gupta, Haghghi, Richard Isaacson, Robert Isaacson, Kukucka, McTaggart, Shah, Sirota, Wohlstetter

The meeting was called to order by Dr. Gupta at 7:00 p.m.

Minutes were unanimously approved.

President's Report (Dr. Gupta):

On July 17th I met with the past president, vice president, treasurer and secretary to discuss the schedule and plans for the upcoming calendar year.

It was decided that we need to improve the sound quality of the lectures at our dinner meetings. A PA system and a wireless lavalier microphone would be helpful. The cost to purchase these two items is approximately \$1000. Therefore, I am requesting this \$1000 from the amount budgeted for office expenses be used for this purpose.

This past June, after a ten year hiatus, Dr. Steven Eisen arranged a MOCDS golf outing at the Jumping Brook Country Club. This year a committee consisting of Dr. Robert McTaggart, Dr. Thomas Sniscak and myself has been formed to help Dr. Eisen. A motion was made and a vote was unanimously approved to start an MOCDS non-profit golf outing. The board initially discussed how funds raised will be allocated and was excited to possibly be able to help other non-profits in the state of New Jersey. I am requesting up to \$2000 to be appropriated for this event. This amount can be re-allocated from the \$3000 that is budgeted for the dinner meeting speaker's honorariums. The actual cost for speaker's honorarium during the 2012-2013 calendar year is \$1000.

As you know, the Children's Dental Health Fair has been in the past and is scheduled in 2012-2013

at the Ocean County Mall. In order to have equal representation in Monmouth and Ocean counties the Children's Dental Health Fair should be held in both Monmouth Mall and Ocean County Mall. Dr. Velazquez emphasized that organizing this event at a new location requires extensive planning and is not possible for 2012-2013. The Monmouth Mall venue will be added to our Children's Dental Health Fair event in 2014 due to the willingness of Dr. Robert McTaggart and Dr. Matt Safari to take on this responsibility.

The following are members who have been added to the standing committees and need trustee approval:

Committee on Special and Social Events:

Dr. Rajeev Gupta Co-Chair, Golf Outing
Dr. Robert McTaggart, Dr. Lauren Picciotto, Dr. Thomas Sniscak

Committee on General Membership and Educational Programs:

Dr. Julia Cintron, Dr. Carmella LaFalce, Dr. Sirin Ocharoen

A motion was made and a vote was unanimously approved to start an MOCDS non-profit golf outing. The board initially discussed how funds raised will be allocated and was excited to possibly be able to help other non-profits in the state of New Jersey.

The date for the dental fair is set for February 10th from 1-3.

Vice President's Report (Dr. Furlong):

Dt. Furling and McTaggart have revised the officers handbook to include a month by month agenda for the treasurer and secretary position to make it easier for new officers to acclimate to their responsibilities. Dt. Furling and McTaggart will meet in September to finalize the treasurer transition.

Treasurer's Report (Dr. McTaggart):

I will be obtaining check writing privileges shortly

MOCDS TRUSTEE MEETING MINUTES August 7, 2012

and will meet with Dr. Furlong to discuss transition of treasurer responsibilities. I am meeting with Dr. Andricsak next week to discuss MOCDS communication and documentation for the secretary position.

Secretary's Report (Dr. Andricsak):

Will meet with Dr. McTaggart to finalize secretary responsibilities in late August.

New Business:

Dr. Goodwin has received a Presidents Service Award from the NJDA. It is a very high honor and he was recognized by MOCDS for his service.

We have been informed by our insurance carrier that a component can be added to the NJDA Directors and Officers Insurance policy as an addition insured. The component would be covered with the same limits as the NJDA (One million, Three million with a five thousand dollar retention). The cost of the policy is approximately \$500.00 annually. Each component must submit an individual application in order to be added to the policy. The policy renews in September so we need to have an answer fairly quickly if you are interested in this coverage so we can process the paperwork in a timely manner. If you are interested please email Stan Orenstein (sorenstein@njdal.org) by August 13th. Dr. Shah will contact the NJDA to discuss the insurance issue.

Council on Membership (Dr. Boim):

NJDPAC *imagines this every day.*

Every day, politicians in Trenton are creating new ways to raise revenues for our cash-strapped state – oftentimes at the expense of the small businesses. There's even talk about placing a tax on all professional services, including medicine and dentistry. Imagine that – a tax on healthcare in New Jersey.

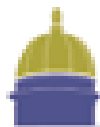

So, what can you do to fight back?

Contribute to the New Jersey Dental Political Action Committee (NJDPAC) – organized dentistry's loudest political voice in Trenton.

NJDPAC acts on behalf of the entire dental profession to ensure the voice of organized dentistry is loud in Trenton. We're not always successful, but one thing is for sure, if more dentists contributed to **NJDPAC** we'd open a lot more doors and have a much louder voice.
